♡ BOUNDARIES ♡

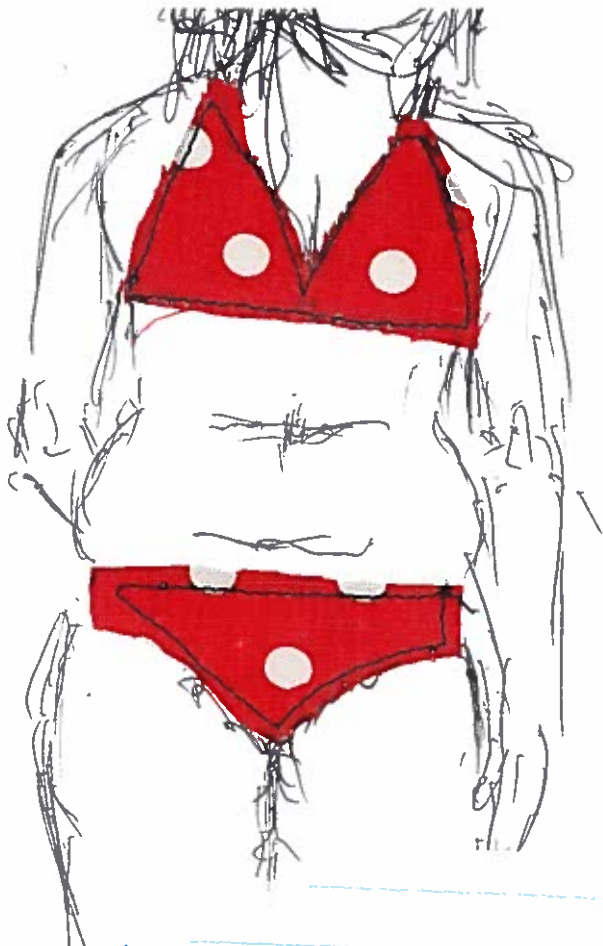

*My boundaries protect me,  
they allow my relationships  
to be fruitful*

DONT  
TALK  
TO ME,  
PLEASE

How can I love myself  
when there are  
parts of myself

that I hate?

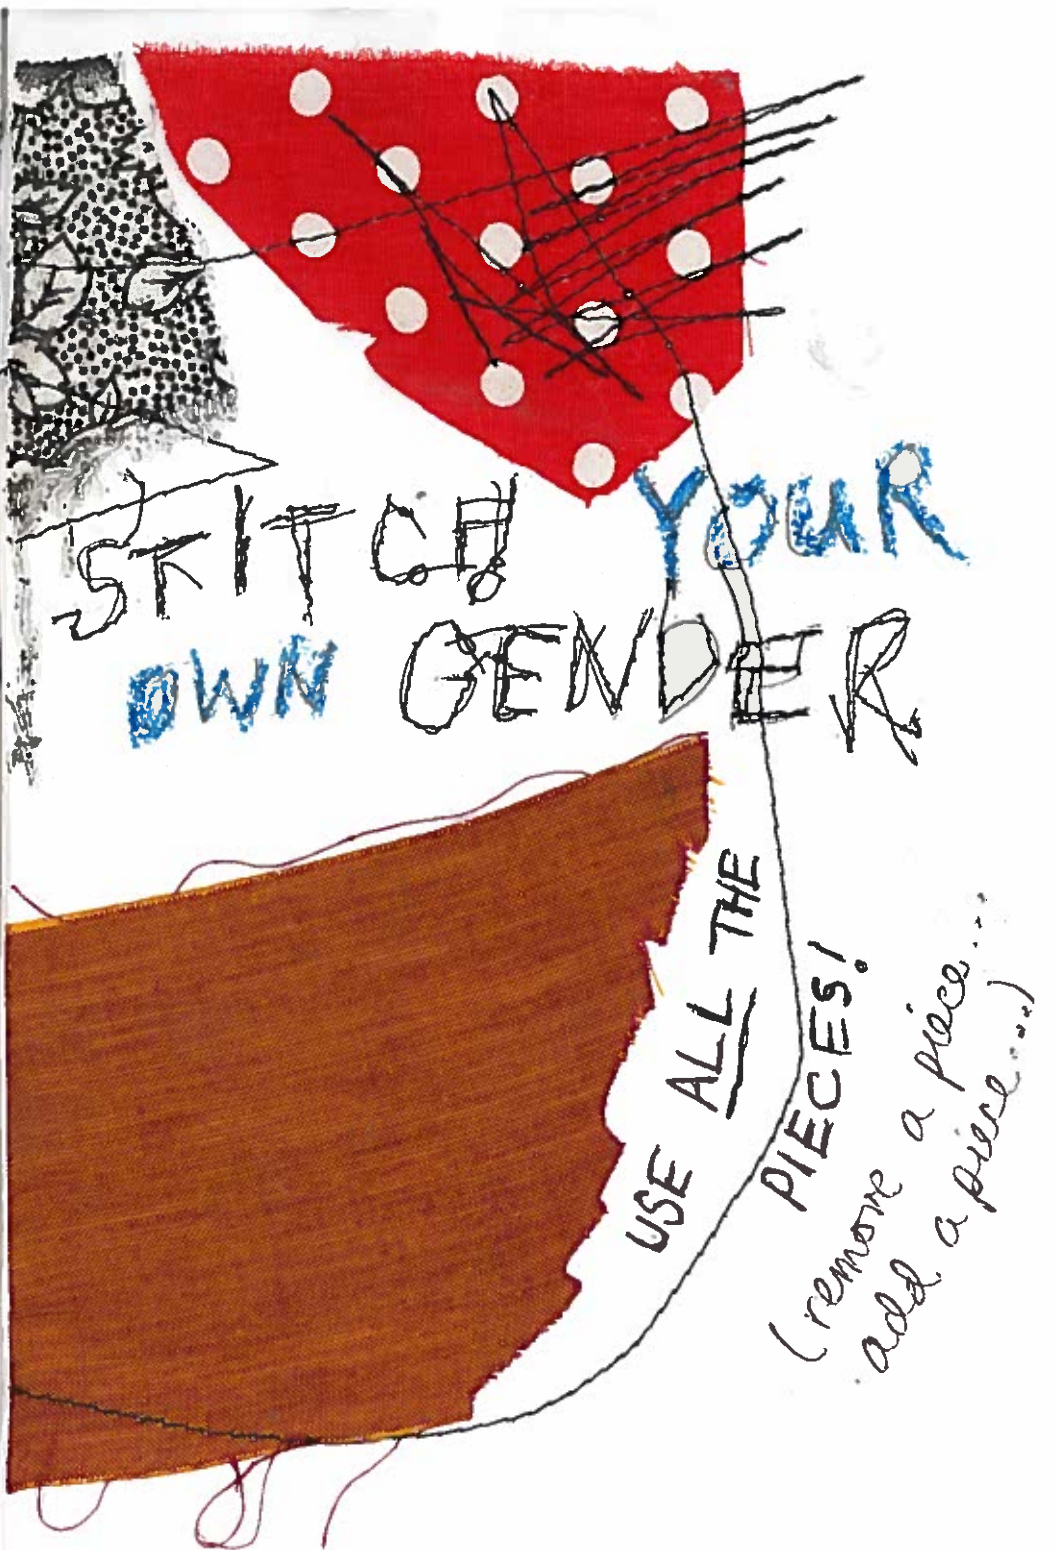

Maybe if change  
the words I say  
when I look  
in the mirror...

It will get better  
...SLOWLY...

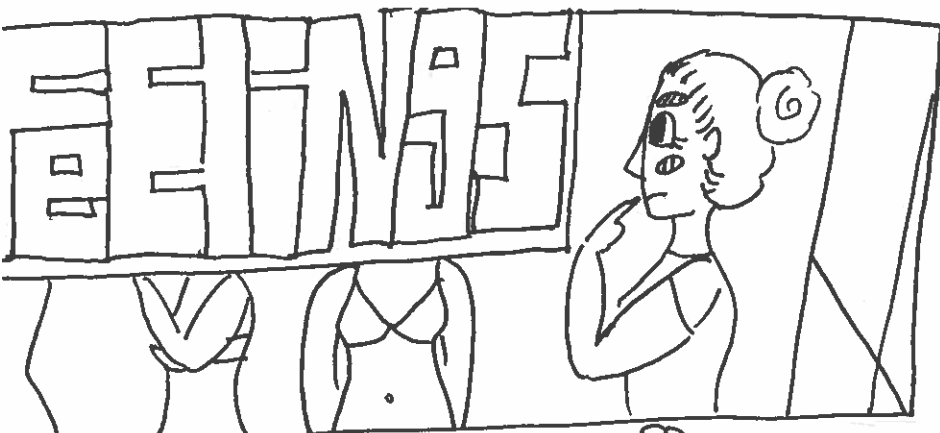

*Frayed edges are beautiful*

Broken Hearted
